Hi Yaorong,

I was able to pull some from quarantined inventory. I can pick them up tomorrow and send them to you next week. These are no longer inventoried items, so I am happy to simply ship by FedEx with no need to process an order for payment.

Do you want them shipped to the address in Fort Meade?

Regards,
Karen

Hi Karen,

I was wondering if you still have some of the empty 2.5 gal containers that you send to us last December? If you do, is it possible that we have another two pieces?

Many thanks,

Kan, Thuy and Spencer,

Please see attached order confirmation. Nevermind the "expected delivery date" notation, that is an auto-fill based on vendor lead times. These items are in stock and available to ship. I expect these will ship tomorrow and will provide tracking information as soon as I am alerted.

Thank you,
Karen
